An accompanying slide presentation will be published to the company's website prior to the call.

An archive of the webcast will be available until October 27, 2026.

About H2O America

H2O America (NASDAQ: HTO) is a national investor-owned network of local water and wastewater utilities united by one purpose: delivering clean, high-quality water to the communities we call home.

For H2O America, providing water is more than a responsibility - it's a privilege. Every connection we serve helps sustain what matters most: public health, vibrant neighborhoods, and a reliable future.

Across approximately 409,000 water and wastewater service connections, we invest in critical infrastructure to strengthen water supply for generations to come. We stay actively engaged in our local communities while focusing on operational excellence and delivering sustainable, long-term value to our investors.

Water is local - and so are our roots. Through our four regional water utilities - Connecticut Water, Maine Water, San Jose Water, and Texas Water - we proudly serve more than 1.6 million people across the country. Together, we protect what's precious.
